MEMORANDUM FOR: Office of Training, DDS

ATTENTION : [REDACTED] Program Officer STATINTL
Career Training Program

SUBJECT : Applicant - [REDACTED] STATOTHR

Reference our phone conversation of 18 October: (1) Attached is a letter and resume sent me by [REDACTED] in support of her Agency employment. As we discussed, I don't immediately see a good fit with the foreign areas geographic research work of OBG, but she certainly seems to have potential for other offices. We, too, might be able to use her if she should complete a career training program. (2) [REDACTED] was recommended to me by long distance telephone last week by Professor [REDACTED]

Professor [REDACTED] is an intelligent and discriminating man. As I remarked, his previous recommendation to us, whom we hired, is working out beautifully; the relative merits of [REDACTED] and the other person are demonstrated by their positions on a scale of 5 -- he puts the latter at 2-3/4 and [REDACTED] at 5.
